## Battery Specification Links

The following list of links to Marine Battery Specification Sheets & Material Safety Data Sheets was prepared to facilitate access to the battery specifications needed in conductance testing of batteries. It is a long way from being a comprehensive list and as time permits we will add to this collection. We welcome your input on additional links and marine battery lines we should add. We test the links included periodically, but things change quickly on the Internet. So if you find a broken link please e-mail us and let us know which one is bad so we can fix it.

### **DEKA Batteries - East Penn Manufacturing Co., Inc.**

Specifications for their Marine Master, Seamate & Dominator Lines

<http://www.dekabatteries.com/assets/base/0194.pdf>

See (1)

Specifications for their Intimidator Line

<http://www.dekabatteries.com/assets/base/1143.pdf>

See (2)

Material Safety Data Sheets Wet Batteries

<http://www.dekabatteries.com/assets/base/a.pdf>

See (5)

Material Safety Data Sheets Dry Batteries

<http://www.dekabatteries.com/assets/base/d.pdf>

See (6)

### **Douglas Battery**

Specifications for their Guardian Series

<http://www.douglasbattery.com/New%20PDFs/Guardian/Douglas%20Guardian%20Cutsheet%20.pdf>

See (15)

### **EPM Products, Baltimore, MD**

See DEKA Batteries - East Penn Manufacturing Co., Inc.

### **Lifeline Batteries**

Specifications

<http://www.lifelinebatteries.com/marinebatteries.php>

See (3)

Material Safety Data Sheet - Concorde Battery

[http://www.lifelinebatteries.com/vrbatts\\_msd.pdf](http://www.lifelinebatteries.com/vrbatts_msd.pdf)

See (4)

**Exide Technologies**

Specifications for Orbital, Stowaway & Nautilus Series

[http://www.exide.com/pdf/exide\\_battery\\_specs.pdf](http://www.exide.com/pdf/exide_battery_specs.pdf)

See (8)

Material Safety Data Sheets Exide batteries

[http://www.exide.com/material\\_safety\\_data.html](http://www.exide.com/material_safety_data.html)

**Odyssey Batteries**

<http://www.odysseybatteries.com/batteries.htm>

See (16)

Specifications for “Yellow Top”, “Blue Top” & “Red Top” series

[http://www.optimabatteries.com/optima\\_edge/technical\\_specs.php](http://www.optimabatteries.com/optima_edge/technical_specs.php)

(See (9) > (13) for different Blue Top batteries didn't print Specs for other but they are available)

**Rolls Marine Batteries**

<http://www.rollsbattery.com/pdf/marspec.pdf>

See (7)

**Surrette Marine Batteries (Rolls)**

<http://www.surrette.com/pdf/marspec.pdf>

See (14)
